Program

Amy Bradley presented a trunk show and shared several quilts with us. She had a wonderful program and is a very talented pattern designer. We took a short break after her show to view and purchase some of her designs.

Old Business

The East Hills Library program was only attended by one person. The program was very informative.

The Rolling Hills Library program is scheduled for May 12 from 2-4 pm. Our own member Carl Hentsch had a paper piecing workshop on March 12th that was attended by 10. Everyone enjoyed it and several showed what they had made.

New Business

There has been a request that we have a program at Corby Place. Lana Amos has volunteered to present the program.

Announcements

- ❖ Heartland Quilt Guild annual meeting was attended by Hazel Meade and Vicki Jackson. Our own Hazel was elected president. Congratulations, Hazel!
- ❖ Savannah's quilt show dates are April 28-30.
- ❖ May meeting will be our annual summer picnic this year. A sign up sheet for food was passed around. We will be playing fat quarter bingo and you may bring up to 4 fat quarters.
- ❖ September workshop on necktie purses will be September 24th, not the 17th.

Thread Moment tip by Judy O'Donnell who told us to use a different color thread on the top and bottom to discover if your tension is too loose or too tight.

Show and Tell followed the close of the meeting.

Respectfully Submitted,
Vicki Jackson
Secretary

Interesting Trivia

Thomas Edison supposedly invented another **sewing machine**, tho his biography makes no mention of it...**that worked on voice power.** A membrane mounted level with the operators mouth transformed sound waves into energy.
