President's Note:

Hello,

Delicious and Fun! Those are the best words I can find to describe our June Potluck Picnic with Fat Quarter Bingo. If you'd like to share your recipes or find the recipes for some of the scrumptious dishes other members contributed to the Potluck, please send your recipes to Nancy Root at nroot@lycos.com and she'll put them on our web page at <http://www.piececorpquiltersguild.com> Another reason I love quilting.....Quilter's are Great Cooks!

Our Red, White and Blue July meeting is on Monday, July 9. That's the second week in July. The Program Committee wanted to allow some time around the July 4th holiday for members who may be on vacation. You may participate in a ****Blue Fat Quarter Exchange,**** if you choose. We'll also enjoy a Red and White program offered by guest speaker, Tressa Jones, from Prairie Garden Designs.

****** To participate in the Blue Fat Quarter Exchange you may bring any number of blue fat quarters you choose. You will take home a different fat quarter for each fat you bring in. We will lay all the fats out and then, take turns picking from all the fat quarters until they are gone. You will go home with a new fat quarter for each fat quarter you brought.

We'll have our new "Member Quilt" on display in July and we'll have the camera out again for any members who would like to be included in our "Member Quilt." We hope this will be a good way for members to "meet" each other.

We have a wonderful day planned in August allowing us to have the time to make a "Love Quilt" a.k.a. Charity Quilt. An August quilting day gives us the opportunity to enjoy a day of quilting/sewing fun, friendship, and a great way to get out of the heat! You can work on any project you like or choose from one of our Guild's Charity picks: hospice gowns, breast cancer pillows, twin size quilts for "the cold weather shelter," or you can work ahead and make a quillow for next year's Royal Kid's Camp. The details including location and time are being arranged now and we'll share them with you soon.

Don't forget your "FQF" – "Fat Quarter Friend" project is due in August, instead of September. We switched programs for August and September and needed to move the "FQF" deadline up. I always like a due date, because I can say to my family, "I have to sew, because this is due by.....!" That usually gets me a little sewing time!

Keep Quilting Close to Your Heart,
Kelly
