New Business

- Lola Jenkins donated 2 quilted items she had made for our auctions with a reserve on one for \$85.00 and the other \$100.00.
- Katherine Stevenson wanted to know if anyone was interested in making lap robes for RSVP through the Senior Center as only 3 members are left in original sewing group. No size listed.
- Janet Loveless mentioned a friend wanted to sell a Hintenberg Quilt Frame.
- Katherine Stevenson brought a congratulation card for us all to sign for Kelly Proctor. She was one of 330 out of the state selected to attend the Missouri Scholar Academy at MU.

My granddaughter came to spend a few weeks with me, and I decided to teach her to sew. After I had gone through a lengthy explanation of how to thread the machine, she stepped back, put her hands on her hips, and said in disbelief, "You mean you can do all that, but you can't play my Game Boy?"

How do you know you are a quilter ?

When:

There's more Fabric in the House than Food

"Fat Quarters" are not the heaviest part of your body

Your ironing board is always set up but you never iron clothes

You feel your job gets in the way of your quilting time

You pet and hug Fabric

People are always picking threads off you

You can measure a scant $\frac{1}{4}$ " by eye, no ruler needed here

"Featherweight" Doesn't mean Boxer

You clean up your sewing room & your family thinks you are moving out
