## Assembly

1. Draw a diagonal line on each side of the Red 5" squares. 
2. Place a Red square, right side together, on top of a Dark Blue square and sew 1/4" from each side of the drawn line. Cut apart on the drawn line. You will now have 2 half-square triangles.

3. Press towards the Dark Blue. Trim your block to measure 4" square.
4. Complete with all the Red and Dark Blue 5" squares
5. Complete the process above, joining each Light Blue to a Cream Fabric. You will now have.
  - (84) Dark Blue/Red half-square triangle blocks

- (84) Cream/Light Blue half-square triangle blocks
  - Total (168) Half-square triangle blocks.
6. Lay out the blocks according to the quilt diagram on the first page
  7. Sew into rows and then sew the rows together.

### **Adding the Borders**

2. Sew these half strips to the end of each of the remaining full strips
3. Measure your quilt from Top to Bottom and cut the borders to length. Attached to the sides of your quilt. Measure your quilt across from side to side and cut the remaining borders to size. Attached to the top and bottom of your quilt. (NOTE: your top and bottom outer borders are wider than your side outer borders)
4. Repeat this method with the Outer border.
5. Cut your backing into (2) 2 1/2 yard lengths and sew the long edges together
6. Attach your binding.
