Piece Corps Quilt Guild

July 10, 2017

The Meeting was called to order at 7:00 by President Murla Leahy. There were 51 members and 1 guest in attendance.

Hostesses were Terry Massengale, Carol Fangman, Lanette Bocquin, and Nancy Swymeler
Greeters were Bev Lowry & Delores Foster

Minutes were accepted as emailed and the Treasurer report was given by Kathy Stockett. The ending balance of \$8677.72 was accepted as read.

Murla Leahy collected Eclipse blocks to be used in the Pony Express Eclipse Quilt to be viewed during the Eclipse in August. Members have until Thursday to get their blocks to Murla.

Judy O'Donnell shared that several members planned on visiting BY THE YARD QUILT SHOP in Rayville Mo and MISSOURI STAR QUILT SHOP in Hamilton, MO on Saturday, July 15th. Let Judy know if anyone would like to join them. She also reminded members who plan on attending "QUILTERS THE MUSICAL" in Macon, MO on October 7th, that the show will begin at 2:00 and everyone will need to pay at the door. There will also be a trunk show at 4:30.

Charity: Lanette Bocquin recommended that the guild make Busy Bags for SADIE'S DREAM FOR A CURE. Busy bags are fabric tote bags that are filled with toys, books and other items that a child can play with while going through chemo, attached to an IV or in isolation. The motion was moved, seconded and accepted by attending members. Further details will come. Lanette also announced that the guild donated three trash bags of neck pillows to Mosaic Hospice.

Hazel recognized the July birthdays and handed out FQ bundles. She also announced that she has lost the Birthday Hat.

Announcements:

Teresa Cobb brought some hand pieced quilt tops that were shared by a co-worker after the death of her mother. She asked for volunteers to complete the tops. It was decided that any tops not taken, would be put in the Guild Garage Sale.

There will be a Pre-Garage Sale Work Day on Thursday, August 10th from 9am to 2pm at Our Lady of Guadalupe Catholic. Enter through the double glass doors on the North. Check with Bobbi Foster for details.

The meeting was adjourned, followed by Show and Tell. Respectfully submitted by Barb Miller
